*Important info for FOX Float X2 service:	Service pricing
For FOX Float X2 shocks that are more than 2 years old (from the date of purchase) or have not been serviced by FOX-Service within the last 18 months, we offer two options: either a replacement at the new factory price of 238,00€, or a full refurbishment including all available upgrade parts.	238,00 €

Info for faster service turnaround	Service pricing
For a smooth service process, we recommend granting cost approval for any additional spare part expenses up to 50,00€. Please indicate this by adding the note " cost approval " in the comment field <i>reference</i> .	50,00 €

Important notice for products not listed:	Service pricing
Products not listed here cannot be processed. Non-binding inquiries are possible, however - for this, a photo can be sent to service.cssc@cosmicsports.de . Unannounced returns will be sent back unprocessed, with shipping costs being charged.	25,00 €

Service pricing incl. VAT
 *If the cost estimate is not approved, the time spent on review and processing will be billed at a flat rate of 6 work units (1 WU = 5 minutes). This amounts to 44.77€ incl. VAT, plus shipping costs.
